Open-plan premises in an excellent location with smoke outlet and complete electrical installation. The property has high ceilings, a toilet, and a txoko room. The rest of the space is completely open, which allows for great versatility. It has direct access to the main street, with a bus stop right in front and the Sardinera park a few meters away. The area is very well connected and has high traffic, which makes it an ideal place for any type of business or to use as a garage, as it allows access for several vehicles. It also offers the possibility of transforming the space into storage rooms. With endless options to adapt it to your needs. A must see!
