Περιγραφή:

Store with 70 m², well located, just 4 minutes walk from the Odivelas metro station. The unit benefits from an environment with various services and shops nearby, ensuring great visibility and flow of people.

In addition, it has parking lots around it and easy access to public transport, making it a strategic option for various types of businesses. This store also has great potential for conversion into residence, offering flexibility of use and appreciation in the real estate market.

Don't miss the chance to invest in a prime location with excellent yield prospects.
