Περιγραφή:

Situated on one of the last waterfront plots of Dubai Water Canal, Cavalli Couture is an ultra-luxury development by one of Dubai's leading boutique real estate companies; DAMAC Properties, in collaboration with the iconic Italian fashion house; Cavalli.

The new waterfront project will be designed to recreate the Amazonian rainforest, with a stunning cascading waterfall on its facade. At the same time, as Cavalli is famed for its vibrant animal prints, there will also be elements of the jungle implemented throughout the project.

Residences will include a separate terrace where residents may relax in their own private swimming pool. In addition, terraces will include hydroponic walls, which are becoming increasingly popular in luxury complexes around the world. The bathrooms and bedrooms will be divided by a mirror wall for an attractive appearance, and a TV panel will be added to the bathrooms.
