Περιγραφή:

Totally open-plan premises without columns and with large windows that provide natural light, southwest orientation and exceptional visibility to Lehendakari Aguirre and up to Enekuri.

It is located on the 3rd floor of a business building, with an area of 150 meters, rectangular in shape, currently distributed in a large space of 115 meters, another room of 30 meters and a toilet.

Floating flooring, partitions with plasterboard partitions, which makes it easy to modify the distribution in a simple way to adapt it to your needs.

It has pre-installation of air conditioning, three-phase electricity, armored door and other security measures.

The building has a large elevator for people and cargo.

For all these reasons and for its central location with large pedestrian and vehicular traffic, two minutes walk from the metro and bus stop, loading and unloading area next to the portal, make this premises suitable for multiple uses, ideal as a delegation, office, academy, artistic studio, warehouse, etc.

Don't miss out on this excellent rental opportunity!!
