### Περιγραφή:

In Campolide, very close to Amoreiras, and the French Lyceum, we can find this 4-storey building, with garage, lift and patio of 65m<sup>2</sup>, completely renovated in 2004 and transformed into a single-family home.

On the ground floor there is the garage, laundry, a bedroom, bathroom and a kitchen.

1st floor we have the social area of the house with living room, dining room, office, bathroom and kitchen.

2nd floor we find the private area with 4 bedrooms and two bathrooms.

Attic in open space.

Campolide is a quiet and safe neighbourhood, with lots of local shops, served by public transport and access to the highway. It is worth mentioning the proximity of the New University of Lisbon, which gives the Campolide Neighborhood a young and developmental environment.
