### Περιγραφή:

5mns drive from Villereal, this 1930's former barn was extended in the 1980's and turned into a Perigordine style house offering 2 spacious and light reception rooms one of which opens out to a covered terrace with pastoral views, 3 bedrooms, bathroom with shower, toilet and laundry-room / utility-room with a shower. Attic suitable for conversion conditional to the obtention of permission. A lean-to attached to the house can be partially used as a carpot. The fenced garden comprises an aviary and a shed. Well with a pump ideal for watering the 3.000m2 garden. Very comfortable house recently equipped with double glazing, solar roller shutter, mosquito nets, insulated attic, electric radiators and reversible air conditioning. A must see !
