Nice apartment in Los Palacios, Formentera del Segura, one step away from all the necessary services such as bars, restaurants, supermarkets, shops, and much more. There is also a medical centre just a few steps from the apartment.

The apartment has 69 m², distributed in open kitchen, living room with a small balcony overlooking the outside, 2 double bedrooms and a bathroom. The apartment building also has an elevator!

On the communal solarium each apartment has its own private area with an independent door, from which you can enjoy wonderful views and sun both in winter and summer thanks to the wonderful climate of the area. There is a municipal swimming pool close to the property which is available to use during the hot summer months.

The apartment is just 10 minutes drive from the magnificent beaches of Guardamar del Segura and 30 minutes drive from Alicante airport.
