Περιγραφή:

Stunning luxury villas to be built in the Paradise Resort, located in Balcon de Finestrat. These spacious homes will be constructed on large plots and will feature 4 bedrooms and 3 bathrooms, each offering breathtaking panoramic views over the city and the Mediterranean Sea.

Every detail has been carefully considered in the design of these high-end villas. Each property includes an underground garage for two cars and is equipped with a home automation system for maximum convenience and comfort. In addition to your private swimming pool, as an owner, you will also have access to the resort's communal areas.

The location is excellent, just a few minutes from Finestrat, where you can enjoy charming Spanish streets and delightful local gastronomy. Moreover, the beaches of Benidorm are only a few minutes away from these exclusive properties.
