Situated on one of Sliema's most prestigious roads just steps from the promenade this corner townhouse has been meticulously restored to the highest standards showcasing its original features at their finest.

Bathed in natural light the spacious layout begins with a welcoming hall that leads to a grand living and dining area. The fully equipped kitchen boasts top tier appliances including a wine cellar and opens onto a charming backyard perfect for enjoying late afternoon drinks. A large versatile room ideal for a gym, games or cinema space completes the ground floor along with a guest powder room.

The first floor is accessed via a classic staircase and houses three generous bedrooms each with its own en suite facilities plus an additional powder room and reading room. The master bedroom features a walk-in wardrobe while a central reading or library room serves as a lovely focal point. A traditional Maltese limestone spiral staircase leads to a fourth bedroom with en suite facilities and a study area perfect for live-in help or a teenager's retreat.

On the roof a laundry room, study, kitchenette and a stunning terrace designed for outdoor entertaining and alfresco dining await. A dumb waiter system connects the kitchen to the top floor for seamless meal service. Custom built joinery and designer furniture including some one-of-a-kind pieces add to the home's unique charm. This property is ready for immediate occupancy by a discerning family seeking an exceptional and prestigious home.
