Welcome to Las Colinas, the most prestigious golf and residential resort in Europe. Here, stunning new-build apartments are being developed, combining the essence of Mediterranean living with luxury, comfort, and sophisticated design.

These exclusive homes are designed by renowned interior architect Silvia Bellot from Jávea. Every detail has been carefully thought out, with a strong focus on aesthetics, quality, and functionality. The apartments are finished with premium materials and come with many extras already included in the price:

- Fully equipped with high-end appliances
- Integrated air conditioning
- Interior and exterior lighting
- Underground parking space
- Large private storage room

Breathtaking Views • Each apartment offers spectacular views over the golf course and surrounding natural landscapes. Many of them also enjoy sea views. The communal areas are just as thoughtfully designed, featuring expansive landscaped gardens and a beautiful shared swimming pool.

Prime Location on the Southern Costa Blanca • Las Colinas is just 3 km from several shopping centers and about 7 km from the stunning beaches of Campoamor, where residents enjoy exclusive access to the Las Colinas Beach Club. Within the resort itself, you'll find not only an award-winning golf course, but also top-class sports facilities, a wellness center, gourmet restaurants, and a supermarket.
