The house has an area of 202 sq.m. There is also an outdoor warehouse of 29 sq.m. and it is built on a plot of 2912 sq.m.

Currently habitable is the ground floor of the property which consists of a living room with fireplace, a large kitchen, a bathroom and a bedroom. Going up through an internal staircase we drive to the first floor which can be configured according to the needs of the new owner as it is in an unfinished condition. Access to the property is very easy as there is a road that ends in the courtyard, just 150 meters from the main road.

Tsagarada is located at a distance of 45 km from Volos, it is an ideal place to stay all year round as it combines mountain and sea. Very close are the picturesque villages of Mouresi and Kissos and the seaside settlement of Agios ioannis with the homonymous beach and the beaches of Papa Nero and Plaka.
