Descripción:

Covered car park for sale in Carnaxide, housed in an office building that houses several national and foreign companies.

Inserted in the Neopark Building located in the Business Center of Carnaxide, this covered park has 211 parking spaces (183 avenues) and is close to a housing area surrounded by gardens and green spaces, but with reduced surface parking. With 24-hour surveillance, this covered car park is available from Monday to Friday between 9 am and 6 pm.

Well located and with good accessibility, the car park is about 9 minutes' walk from the center of Carnaxide and very close to the main access roads to Lisbon, including the A5 motorway that connects Cascais to Lisbon on the one hand and the A2 motorway, which connects the capital to the south of the country.

Housed in an office building, the Neopark Building, home to several national and foreign companies, and in full operation, this car park is an excellent investment opportunity.
