Attached a few photos, two properties opposite each other But old pics and presumably needs total renovation

One has 1284 sq.m. of land, the other 900 sq.m.

I can discuss the price with the vendors if there is interest and it will also be according to the state of the properties of which we have no accurate information at this time.

Situated in the lower part of the village, near a pine tree hill; at about 800 m from the village centre. There is a brook across the street, lovely views.
