Descripción:

Nestled in a prime location just 5 minutes from the sea, these independent villas offer a versatile multipurpose room, providing flexibility for various needs. A notable feature is the option for a roof terrace, designed to double as a solarium, allowing residents to bask in the sun's warmth while enjoying panoramic views. The choice of a private pool, though optional, adds an exclusive touch to these residences. Each villa is accompanied by a meticulously landscaped garden, ranging from 140 to 200 square meters, enhancing the overall aesthetic appeal of the property. Convenience is a key aspect, with dedicated parking areas ensuring hassle-free access to your home. During the construction process, residents wield the power to shape the interior design according to their preferences. Customize elements such as the pool, determine the number of rooms, and select the finishes that resonate with your vision of an ideal living space. Situated in a tranquil environment surrounded by greenery, these villas boast a strategic location with direct access to the highway. The inclusion of preinstalled air conditioning adds a layer of comfort, catering to modern lifestyle needs. In addition to the serene setting, the residences are strategically placed, with essential services, schools, and shopping centers all within a convenient 5-minute drive. This combination of thoughtful design, customization options, and proximity to amenities positions these independent villas as an ideal choice for those seeking a harmonious blend of comfort and convenience.
