In the village Ždrelac on the island of Pašman, facing south-west, there is a building plot for sale with an area of 918 m2, with a valid building permit.

A building permit has been issued for the construction of a family house with a net area of 250 m2, with five bedrooms (each with a bathroom), for which the utility and water contribution has been paid, but the future owner can adapt the project to his wishes and needs (amendment of the building permit).
