Descripción:

Warehouse located in São Félix da Marinha, with a total land area of 1131m² and a useful construction area of 360m². This versatile space offers a range of features ideal for various industrial activities.

At the moment it is operating as a car workshop. With a paint chamber specially designed for the activity carried out, the warehouse provides a functional and practical environment. Adaptable to multiple branches, with office, dressing room and other small compartments, providing flexibility for various operations in the areas of chemical industry, automotive, metalworking, logistics, small production and others.

In addition, at the rear, there are boxes with dimensions that allow different uses, from tooling to material storage. It also has two bathrooms, in addition to a large interior area, this industrial building includes an outdoor patio with 771m².

Located in a quiet area, with convenient access to Porto and Aveiro, and close to the city of Espinho, this warehouse also offers expansion opportunities for those who wish to expand and optimize their business.
