Located in Donoratico, this property offers a large and safe space where your children can play freely, as well as a tavern - cellar and a garage.

The 120 sqm flat is located on the ground floor of a building with only six self-contained units, thus guaranteeing tranquillity and privacy. This outdoor space is perfect for holding outdoor dinners, letting the children play or simply relaxing in the sun.

The sleeping area consists of three bedrooms, all with direct access to the loggia and garden, thus offering a comfortable and pleasant connection to the outside. There are two bathrooms and a practical storage room to meet all the needs of a family.

In the basement, the property has a multi-purpose room and a garage totalling 80 square metres. These additional spaces can be used as a tavern, a cellar or an indoor play area, adapting perfectly to your family's needs.

Built in 2008, the property is in excellent condition and equipped with all necessary utilities. Independent methane gas heating and air conditioning ensure maximum comfort all year round.
