Descripción:

Set on a picturesque 1894m² plot, this stunning 4-bedroom villa is located just 4 km north of the charming town of Loulé and a brief 20-minute drive from Faro Airport. Surrounded by rolling evergreen hills, it offers breathtaking panoramic views and is secured within beautifully landscaped, low-maintenance gardens.

Built 24 years ago and featuring cavity wall insulation, the home spans 181m² of living space that balances modern amenities with timeless comfort. Recent enhancements include a stylish kitchen-breakfast room with large sliding doors that perfectly capture the surrounding views. The living area, with its half-vaulted ceiling, ascends to a mezzanine level serving as both a dining area and home office. Four well-appointed bedrooms including a lavish master suite with updated en-suite and vaulted ceilings ensure ample private space. Energy efficiency is integrated through a photovoltaic solar system and solar-powered hot water, reducing utility costs significantly.

Outdoors, the entertainment possibilities are endless with an 8 x 4m swimming pool, traditional stone balustrades, and a covered terrace equipped with a built-in BBQ. Fruit trees dot the property, supported by a sophisticated irrigation system. Privacy and security are paramount, with access through electronically controlled double gates leading to a spacious driveway and covered carport.

This property's ideal location ensures convenience without sacrificing tranquility, close to Loulé's local

amenities, world-class golf courses, and the stunning beaches of the Algarve. Its a perfect sanctuary combining rural charm with easy access to urban comforts.

Note: The features equipment mentioned are subject to verification and agreement between vendors and buyers.
