20 PRIVATE VILLAS WITH STUNNING SEA VIEWS IN BENALMADENA!

Under construction!

The luxury villas present a sophisticated image, and the chic architectural lines create a bold and impressive exterior. Yet it's a refreshing style designed to enhance the space within each villa. There are expansive walls of floor to ceiling glass doors you can fully open to keep the villa cool and airy during the heat of a summer's day. They make the villa bright and welcoming by allowing maximum daylight to enter.

The staircase is discreetly positioned to avoid it dominating the room and features a stylish, double height window panel or skylight to ensure it's brightly illuminated by the sun. There is also elegant, porcelain flooring flowing seamlessly throughout the rooms. It helps provide a calm and relaxed atmosphere inside each spacious villa.

The large, open-plan living room is perfect for a busy family life, as there is plenty of space to properly arrange your furniture. This spacious room can easily accommodate a large dining table and more than one comfortable sofa, whilst maintaining a cosy atmosphere at the same time. A stylish fire pit at one end

of the room adds warmth to a chilly evening. The open-plan design includes an elegant and practical kitchen perfect for everyday life, or when you want to entertain your friends.

Privileged location:

There is a supermarket and a few restaurants. However, the busy city life of Málaga's towns is always nearby. In five minutes you can reach the outskirts of Benalmádena where there are shops, a weekly market and schools. There are many outdoor activities including watersports and hiking. Torremuelle is also an ideal location for visiting many tourist attractions.
