Descripción:

Hello dear guests, Our apartment is located in one of the most beautiful and exciting areas of Berlin Mitte! From here you can reach numerous sights - such as Alexanderplatz, Hackescher Markt and the Berlin Cathedral - within a few minutes by subway. In the immediate vicinity is the Mauerpark (3min walk), which invites you every Sunday to the most popular and famous flea market in the city (an absolute highlight!). In addition, the apartment is located directly on the Mauerpark - the Bernauer Straße - where you can still visit the history of that time and a piece of the preserved wall free of charge and true to the original! There are also many great cafés, restaurants and small stores. Well-known streets such as Oderberger Straße or Kastanienallee are just a few minutes' walk away. Our newly renovated apartment is on the 4th floor (unfortunately without elevator) but wonderfully sunny :-). It is a 1 room apartment with a small bathroom, nice kitchen and cozy living room and bedroom, which invites you to linger. A washing machine completes the offer. The next subway (within 3 stops at Alexanderplatz) is only 5 minutes away and the next streetcar stop even closer. We would be very happy if you like the apartment as much as we do!
