Descripción:

Set on the serene Tuscan hills between Florence and Pisa, this 13th-century farmhouse offers a blend of historical charm and modern luxury. The estate, spanning over 16 hectares, includes a main villa and two annexes, totaling approximately 700 sqm of renovated living space. The property features an infinity pool, several gazebos, a panoramic terrace, and a big outdoor area with potential for a helipad. The farmhouse showcases traditional Tuscan architecture with stone and wood, complemented by a recent renovation that harmonizes historical features with contemporary comforts. The main villa includes a bright living room with big windows opening onto two terraces, a dining room, and a modern kitchen with access to a panoramic terrace. The ground floor also features two double en-suite bedrooms. The first floor houses six additional bedrooms, each with private bathrooms, furnished with elegant, antique-inspired details. Additional amenities include a wine cellar and a fitness room. Surrounding the villa is a manicured garden with pergolas, an infinity pool with hydromassage, and diverse natural settings like vineyards and olive groves. The property offers privacy, breathtaking views, and luxury, making it ideal for a high-end retreat or accommodation facility in Tuscany.
