Descripción:

A one-of-a-kind, newly built property, finished with taste and attention to detail by the current owners. Located in the heart of the historic centre in the pretty town of Tavira famous for its churches and beautiful riverbanks.

The build was completed in 2021 2022, restoring the beautiful façade and adding traditional azulejos, arched windows with wrought iron French balconies and ceramic balustrades on the top floor.

It is composed on the ground floor of two double en suite bedrooms both with fitted wardrobes, A C and underfloor heating. There is also the benefit of two access doors from the street which could give the option of a separate studio, should it be needed.

From the bedroom at the rear of the house is access to a small, private back garden, the perfect place to relax in the summer.

On the first floor is an ultra-modern kitchen equipped with Bosch appliances, with a large central island as a dining area. The whole space is beautifully illuminated by 3 wonderful arched windows. Next To the kitchen is another en suite double bedroom with a bathtub and floor to ceiling wardrobes.

The top floor has a wonderful lounge space under the Tavira style Quatro Aguas roof that in turns opens onto a good size sunny terrace with pergola and fitted benches. EPC:B
