Descripción:

GUBBIO (PG) Loc. Monteluiano: Stone farmhouse on three levels of approximately 367 sqm composed of:

- Ground floor, large rooms used as living room, kitchen, pantry, laundry, garage, storage, and bathroom;
- First floor, three double bedrooms, hallway, and bathroom;
- Second floor, two double bedrooms with en-suite bathroom and hallway.

The property, perfectly habitable, features a load-bearing structure in plastered stone, terracotta floors, and wooden beams. It includes a surrounding garden of 1,800 sqm and approximately 5.2 hectares of land cultivated with natural arable crops and has a water source.

Quiet and panoramic location with a view of the center of Gubbio.
