### Descripción:

This contemporary 3 bedroom detached house is located in a quiet and privileged location, with breathtaking panoramic views of the sea and the mountains. Built with high-quality materials and equipped with a variety of modern solutions, this home offers maximum comfort, privacy, and energy efficiency, making it ideal for those looking for a serene and sophisticated lifestyle.

### Housing Features:

#### Prime location

Located in a quiet area, this villa offers stunning views of the sea and the mountains, providing a perfect environment for those who want to be in contact with nature.

#### Design and Comfort

The house has three spacious suites, and the master suite is equipped with a walk-in closet, offering an atmosphere of comfort and privacy.

#### Quality Construction

---

Structured with double walls and horizontal roof with external insulation, the villa features excellent thermal insulation, complemented by double-glazed windows, ensuring a comfortable internal temperature throughout the year.

#### Energy Efficiency

Modern equipment such as solar panels and a 300L water heater, with a circuit breaker shutdown system, ensure efficient energy management and optimized consumption.

#### Sustainable Heating

The villa has a biomass fireplace with a heat recovery system, ideal for heating environments in an ecological and economical way.

#### Garage and Storage

The house has a spacious garage for two cars and a storage space on the ground floor, and there is also the possibility of parking on the road.

#### Social and Leisure Space

The first floor offers a bright and spacious living room with access to a balcony, a fully equipped modern open space kitchen, as well as an outdoor leisure area with barbecue, garden and toilet.

#### Private Balconies in Suites

On the second floor, the three suites have private balconies and full bathrooms, offering a comfortable and reserved environment.

#### Conservation Status

Despite needing minor maintenance, such as painting, the house is in excellent condition and has an annual IMI of 407.91.

#### Virtual Tour

The villa has a virtual tour available for potential interested parties, allowing a detailed exploration of the property without leaving home.
