Nestled in a serene locale just beyond Tavira, adjacent to the national park, stands a distinctive villa offering both comfort and breathtaking distant sea vistas.

Originally constructed in 1999, extended in 2008 and renovated in 2020, this property boasts a lower level comprising a bedroom with en-suite facilities, an enclosed patio doubling as an office or studio space with two storage areas, and a staircase leading to the upper level. New additions to the home include a comprehensive air-conditioning system, ensuring comfort throughout, as well as a Salamandra fireplace in the sitting room for added ambiance, along with solar and photovoltaic systems. With its inviting atmosphere, this house exudes warmth and charm.
