Descripción:

With a generous land area of 11000m2, this property offers a true oasis of peace and privacy, where there are ruins to rebuild with open views of the valley.

There are 2 water sources here, which are used exclusively for personal consumption, namely for watering the fields, although there is a source with public water, as well as electricity.

Ideal for building a rural tourism business or for a family dedicated to horses cattle, as there is plenty of space for pasture.

This property is located 5 minutes from Malhão, which is known for cycling around the Algarve, with its magnificent views, as well as the Buddhist center STUPA (Association for Peace in the World)

'The location of the 'Stupa' was chosen by Buddhist masters who saw Malhão, the highest point of the mountain also known as 'Mú', a place considered ideal for concentrating positive energies.'

A short distance from here, you will find this property, in a small village of mostly foreigners who are beginning to rehabilitate the existing ruins.
