This home also features three bedrooms in the main house, a fourth detached from the house, and a private sanctuary with a coffee bar and ensuite bathroom. Located on the main floor, you'll find the primary bedroom, which is bright, spacious, and tranquil. The newly completed ensuite bathroom has high-end finishes, dual vanity, a massive built-in closet, and a huge shower with breathtaking views of Flamingo Marina and Potrero Bay. The two bedrooms and bathrooms on the garden level lead to the stunning infinity edge pool, lounging area, and tropical zen garden.

Casa Feliz has significant private outdoor lounge areas with a wet bar, jacuzzi, and bathroom. The bonus is the cozy casita, which has been completely modernized with an outdoor shower and seating area. This extra space has a spectacular view, pull-out sofa, bathroom, and coffee station and can be used for guests or a home office.

Added value? Oh yes! Casa Feliz also has several bonuses that other homes in Pacific Heights simply do not have. There is a large wraparound terrace with 180-degree views, two large sun decks, a two-car covered carport with automatic gated entry, plus an extra massive titled lot with its own separate entrance and gate. This space can be used to build income-producing rentals, a large casita, a garage, or a workshop.

Located across the street from this estate home, you'll be able to access the expansive walking and biking trails of the resort community of Las Catalinas. Pacific Heights is known for its million-dollar homes and stunning ocean views. Just below Pacific Heights lies the beach town of Potrero, which has a strong sense of community, with restaurants, breweries, and beach bars. In a 10-minute drive, you can experience Flamingo Marina, 180 slips for sailboats and yachts, high-end shopping, gourmet restaurants, and that famous white sand beach or Playa Flamingo. The fishing off of Flamingo is legendary, and the waters are full of Sailfish, Marlin, Snapper, and Yellow Fin Tuna.

This home is a 15-minute drive to at least three private schools and quality medical care. It is only 40 minutes from the International Airport in Liberia, Costa Rica. Contact the Hickey Team today to get more information on this fantastic property!
