Descripción:

The Dawson is a unique home, with three floors of spacious living to suit modern life and plenty of storage space. The large kitchen, dining and family area features two skylights and bi-folding doors which maximise light, bringing the outside in, and the fully integrated open plan kitchen area is complete with a large island unit, making this the perfect place to entertain.

The lounge has a large bay window, adding character to this spacious room and there is a downstairs WC off the entrance hall.

The main bedroom spans the second floor of this home, featuring a dormer window to the front and a skylight window at the back, creating a light and airy space. There's also an en-suite complete with a shower enclosure, and there's a family bathroom that features a double ended bath, both are complete with Porcelanosa tiles and white sanitaryware.

The Dawson has enviable exterior details too; the bay window and dormer window add character to this home, which also features coloured cast stone window heads and a block paved driveway. The garden comes complete with turf, a paved patio area and fencing.
