Descripción:

Nestled in the sought-after area of Almancil, this contemporary-styled 4-bedroom villa with 495m² offers breathtaking views of the Algarve countryside and the Atlantic Ocean. Set on an elevated 2,697m² plot, the property combines modern architecture with natural wood and stone accents, creating a unique and sophisticated aesthetic. Its south-facing orientation ensures abundant natural light and the perfect setting for enjoying the Algarves sunny climate.

The villa boasts an open-plan design, seamlessly connecting spacious living and dining areas to the landscaped garden and heated saltwater pool. Each of the large four en-suite bedrooms is elegantly designed to balance comfort and style, while a sleek, practical kitchen and ambient lighting add a touch of modern luxury. The property also includes two cloakrooms, a gym, and a garage for two cars, offering both convenience and practicality.

For outdoor living, the villa delivers exceptional amenities, including a large heated swimming pool, a borehole, and solar panels for hot water.

Located just north of Almancil, this property provides easy access to the Algarves golden beaches, top golf courses, and the vibrant market town of Loulé. With Faro International Airport only 20 minutes away, its an ideal choice for those seeking a luxurious family home, a holiday retreat, or a lucrative investment opportunity.

Schedule your viewing today and experience the beauty and convenience of this remarkable villa.
