Descripción:

This beautifully positioned property offers 3 double bedrooms plus an office/child's bedroom, making it perfect for family living. Set within a peaceful residential area, it's just a short walk to the village center and the Mediterranean Sea.

The villa, spread across three levels, is designed with flexibility in mind, offering the possibility of single-level living. The ground floor features a generous 40m2 living and dining area, complete with a cozy fireplace and access to a lovely terrace. The separate, fully-fitted kitchen, along with a shower room, a bedroom, and a separate WC, are also located on this level for added convenience. Upstairs, you'll find two additional bedrooms, a study that can serve as a single bedroom, a spacious bathroom, and another separate WC—all with fantastic views!

On the garden level, the enormous garage of approximately 120m2 includes a room that can be easily expanded into an independent studio with its own entrance, offering great potential for additional living space.

The charming garden includes a petanque court and offers ample space for a swimming pool, while the

driveway provides parking for multiple vehicles. Though the villa could benefit from some updates, it already boasts reversible air conditioning throughout, ensuring year-round comfort.
