#### Features

- Additional parking
- Irrigation system

This estate with a beautiful panorama, located on the Szőlőhegy mountain, could be the perfect choice for you. The infrastructure here is excellent: Székesfehérvár is only 20 kilometers away, and Budapest is only 50 kilometers away.

The estate is 3.75 hectares, fenced and boasts an insulated brick family house built in 2015. The 366 square metre house has six rooms, two bathrooms, an American kitchen and panoramic windows, while a tiled stove and air conditioning provide comfort.

Additional facilities include outbuildings and a wine cellar, while electricity is provided by a 14 kWh solar system. The estate also houses a successfully operating tourist business with a 12-year history, where visitors can enjoy eight apartments and guest rooms. An infrared sauna, as well as barbecue and bacon grilling areas, further enhance the comfort of guests.

In 2018, the estate received the “Most Beautiful Estate in Hungary” award in the “Family Farm” category. The windows offer beautiful panoramic views of the Vértes, Gérerés, Pilis and Buda mountains, while the certified organic farm boasts 300 productive nut trees and an orchard with an irrigation system. This arboretum contains over 400 different ornamental trees and plants. It is fully equipped and has a security system, it is easily accessible by paved road, just five minutes from the village.

We will sell your apartment or house.

There is a choice of apartments and houses in various budgets, including commercial properties.
