### Descripción:

We present Casa Azul, a charming traditional Portuguese villa situated in a serene and picturesque neighborhood of Quinta dos Álamos, in Guia Albufeira. Built in 1995, this 4 bedroom villa offers the authentic charm of Algarve houses, with great potential to be transformed into your dream home. Although in need of renovation work, Casa Azul offers a solid foundation and offers plenty of opportunities to customize the space to your liking, creating a unique haven of comfort and style.

Each of the four bedrooms is en-suite, ensuring privacy and convenience for the whole family and guests. The house also has a full additional bathroom, increasing the functionality of the space. All rooms are equipped with air conditioning, ensuring comfort all year round. Although it needs some improvements, the distribution and layout of the house are ideal for a practical and comfortable lifestyle.

The outdoor space is one of the great highlights of Casa Azul. With the largest swimming pool in the neighborhood, it offers a luxurious environment for moments of leisure and entertainment, although the area needs some care to regain its full potential. The dedicated barbecue area is perfect for organizing unforgettable summer gatherings, surrounded by the tranquility of nature.

Situated in a quiet and scenic neighbourhood, this villa provides a peaceful retreat away from the fast

pace of the city. Whether you're cycling, taking morning walks or simply enjoying the fresh air, the natural surroundings are ideal for an active and balanced lifestyle.

With sustainability in mind, Casa Azul is equipped with solar panels for water heating, reducing energy costs and promoting an environmentally friendly solution.
