توضیحات:

Semi-detached Cortijo with extensive land of 10,645m2 is situated in the countryside near Fuensanta de Martos, in the Jaen province of Andalusia with 80 olive trees which bring in an annual income along with various others such as almond trees and fig trees. Before entering the property there is a great sized patio area with barbecue where you can enjoy the relaxed Spanish lifestyle while looking at the spectacular countryside views. The property itself has a large hall area with access to the lounge and dining room space with an open fire. This leads to a large kitchen area and downstairs bathroom. The first floor consists of 3 great sized bedrooms and a second bathroom, all boasting views of the surrounding countryside. This typical Spanish house has all of its original features and wooden beams. It is a lovely property and worth viewing as the video and photos do not do it justice.
