possible to embark to make the descent of the river or visit the picturesque Spanish village 'Sanlúcar De Guadiana' which is located on the other bank.

The village of Alcoutim is also known for its well-preserved medieval castle, its picturesque historic center, the river beach of Pego Fundo, which holds a blue flag and its traditional annual festivals that take place during the month of September and which has as its highlight the fireworks on the river.

The site benefits from reasonable urban road accesses, being accessible by EM 507, EM 507-2, Via do Infante (A22) and IC27, the latter two being from Vila Real de Santo António that is about 40kms from this village.
