Spaces are designed to be open and practical. These affordable homes are set apart from the normal touristic real estate and will have a sound future in investment.

All properties are entered from street level into a modern, open plan lounge and kitchen. This design reveals panoramic views towards the Guadiana River, Portugal and the Atlantic Ocean\*

The fluid design of the building allows for interrupted spectacular views and privacy. Set in 50,000m2 of gardens that run down to the river and adjacent to flat bike lanes that run through the town and down to the beaches. Chill out by taking the ferry across to Portugal for a meal or walk or take one of the boat trips up the river through unbelievable scenery.
