توضیحات:

Opportunity to purchase a 2.5 hectare farm and mountain lodge with luxury accommodations for 18 to 20 people located at the base of the Cordillera Blanca mountains - the highest mountains in the Peruvian Andes - just 20 minutes from the city of Huaraz (pop. 150,000).

Enriching cross-cultural community relationships and established community development programs.
-Five residential structures, 7 vegetable greenhouses, outside quinoa, potato and bean production, free range chickens, 6 horses with stables, tack room and training ring, workers quarters, storage sheds, outside fire pit with sauna building, change rooms and showers, a North American tipi with 4 single beds and a wood-burning stove. Property has abundant clean water supplies and year-round sunshine and spring-like weather. Wifi connectivity is available throughout the property. Unparalleled hiking and recreational activities at your door, along with proven income and business potential and room to expand.

This is a healthy, sustainable community living at its best!
