توضیحات:

Excellent urban land, for construction, in Montijo.

This fantastic plot of land is classified as a 'Consolidated Mixed Urban Space' and allows construction for various uses such as commercial or residential. It does not allow construction for industrial use.

Exceptional location in front of the Tagus River, next to Leclerc, with good access. The construction of a Marginal Road next to the Tagus River is planned.

Come and meet and take advantage of this opportunity!

When you contact us for a mobile number you will incur a cost for a National Mobile Call, for a landline number you will have a charge for a National Fixed Network Call.

Energy Rating: Exempt
