توضیحات:

Easy Living, ground floor 3 bedroom Apartment, situated in the centre of Fuensanta de Martos in the Jaen province of Andalusia, Spain, with local shops bars and the main square only a minute walk away. Outside this property there is a small terrace area so the property sits safely above the main road. As you enter the front door you are greeted with a entrance lobby that opens into a bright, welcoming hall. There is another shared front door access, with stairs to the upper level flats, that also opens into the hallway, off which is a good sized living room, this is a lovely large living space with big windows that fill the room with light, next to the living room is the first big twin bedroom that would also make a great office. Next to this is a generous sized kitchen with two store rooms off it for a pantry and the other for laundry. Across from the kitchen is a second smaller hallway leading you to a further two large bedrooms with a bathroom situated directly between them. At the back of the property leading off the kitchen is a private outside patio space as well. This ground floor flat just needs a touch of modernizing.
