Newly built semi-detached villas being built near the typical Spanish town of Sucina. Away from all the hustle and bustle, but still centrally located enough to fully enjoy Spain. Very nice spacious houses with 3 bedrooms, 2 bathrooms, very nice open living room and open kitchen and huge terraces. Each property also has its own solárium and private pool. The properties are built with a lot of light and also have many extras already included in the price. What is striking about these homes are the large outdoor spaces, with more than 80m2 of terrace and also a solárium of more than 80m2!
