In quiet area of Santurtzi, and at the same time a step away from all services, five minutes walking on the flat at the mouth of the metro Las Viñas, we find this very complete floor.

From the entrance hall we noticed its beautiful layout. The living room to the left, is large with capacity if we want to put living room, has large windows to let us in natural light. In front we find the kitchen with adequate space for the daily table and what is necessary for the day to day. The main room with its full bathroom incorporated giving more intimacy to the couple. We also have another bathroom with tub in the hallway. Secondary rooms, two in this case have good size both of them.

We also have storage room and garage plot in the same building.
