توضیحات:

Situated between Monségur and Sauveterre de Guyenne, this stunning country house is a beloved family retreat as well as an award-winning vineyard. With 10 hectares of land, the vines are tended by an employee who is a long-term connoisseur of the wine making business and the views from the house are stunning.

Situated at the end of a private driveway, the Maison de maitre has kept all of its' original charm and there are character features throughout. The accommodation includes large open -plan living spaces, four bedrooms in total including one ground-floor bedroom, and two bathrooms.

Outside there is a swimming pool and large terrace that really makes the most of those views - it's the perfect spot for dining outside in the summer and soaking up the sun and the warm evenings.

The winery is fully equipped and the current owners are passionate about their wine. They have won several bronze, silver and gold medals in Bordeaux and Paris. The vineyard and all the equipment are included in the sale so you can start straight away. If you need a little help, there is a part-time employee who will be delighted to guide you.
