House on the ground floor and 1st floor with patio to remodel in a village a few kilometers from Castelo Branco, with all kinds of services, including pharmacy.

Excellent location facing public street and public road on two sides. This path separates it from another piece of land included in the same price with the added value of making its small vegetable garden, garden and support annex on it.

Location that privileges beautiful landscape views in great extension.

Great investment that enhances good profitability or own housing.

Do not hesitate, book your visit now and check this description.
