Former farmhouse with large outbuilding. Is this fixer a nice challenge for you?

There is work be done in the house. That will be clear, but for that price it is certainly not too expensive and in 2017 most of the windows are already replaced by plastic. In the house the covered veranda, a hall, the living room, 2 bedrooms, kitchen and bathroom with separate toilet. There is also a summer kitchen with some storage which could be a nice guest house. Further on the plot a very large (former) stable

The garden is nicely sized with a 1.980 m2 and in the garden a well and various fruit trees. A brook runs at the end of the plot. Electricity and water are provided for. Gas can be connected from the street. For the heating there is the stove. The drainage is connected to a septic tank. Connecting the telephone and / or Internet is no problem.

House is in the village of Tapsony. In the village live around 1,000 inhabitants and it is nicely situated in a hilly area between the

larger cities Marcali (20 km) with a beautiful (thermal) bath where
you can certainly enjoy a lot of (water) fun in the summer and
Nagyatád. The nearest town is Böhönye at 8 km. Even a day at Lake
Balaton is easy doable.

Nice opportunity to renovate a house and make it your Hungarian house.
