Here you buy a former farm with a 10,421 m2. Lot of privacy and with a lot of buildings. The buildings needs considerable refurbishment and renovation.

There is the house with 3 rooms, kitchen with pantry and some storage space. The farm-buildings were used for the former farm business and can of course be restored to its former glory, but you can also create a guest house within the existing buildings.

The workspace is now a double building under one roof. Each room has a hall, a room, a room for the milk and a room for the meat.

Electricity (also 380V) and gas are present in the house and water is present on the plot, but not yet installed in the buildings. There is also a well. For drainage there is a connection to the sewerage system.

Sajógalgóc is a village with 400 inhabitants in the north of Hungary. The towns of Kazincbarcika (with swimming pool) and the larger town of Miskolc are 10 and 20 km away. Lillafüred is a nice place and is more than 20 km away. A visit to the caves of Lillafüred is definitely recommended.

You can buy the house directly on your name with a decent piece of land. On paper, this is still the village area.

If you want to live self-sufficiently with lots of space and tranquillity, this can be an option.
