توضیحات:

This complex for sale is located in the province of Turin, in Piedmont, on a land of over 4.700 sq m. The property constitutes a two-family housing complex of about 700 sq m. The estate currently needs renovation works that will allow the buyer to customize it according to their wishes. The size of the villa also allows the conversion of the property into a luxurious tourist accommodation with a wellness center. Currently the property is divided into two residential units with a caretaker's house and has stables with saddlery for a total of seven horses. A large park surrounds the property, inside which a swimming pool with a solarium area could be inserted. Ref.: 0089 <https://www.lionard.com/complex-for-sale-in-piedmont.html>
