توضیحات:

Typical stone-built house with vaulted ceilings situated in the old part of the historical centre of Ostuni.

The 2-storey house was totally restored and features double entrance, in order to be able to separate the ground floor from the upper floor, if one wishes so. It consists of a double bedroom, bathroom, kitchen and living room with sofa bed.

An internal staircase leads to the partly underground floor measuring about 35 sq m (with access also from the outside) boasting traditional flooring.

Ostuni is a town with shops, supermarkets, services of all kinds.
