An attractive Mediterranean-style villa on the coast of Benissa. A beautiful Spanish villa close to all services and the beach. The property is immaculately presented with fully renovated interiors and boasts exceptional exterior spaces and a pool area. The main floor has a level entrance from the road and features a spacious lounge with a chimney and high vaulted ceiling, an adjoining glazed porch, a newly fitted kitchen, a dining room, two double bedrooms, and a modern bathroom. The property further benefits from an independent studio apartment, a car garage, and basement storage/hobby rooms with laundry facilities. New aluminium external carpentry with double glazing, hot and cold air conditioning throughout, ceiling fans, and new electric and plumbing systems. The floor tiles, kitchen, internal carpentry, and bathrooms have all been modernized. The gardens are beautifully landscaped gardens with an appealing pool area. It is a good position on the coast of Benissa, just a 5-minute drive to the beach and a 10-minute drive to Moraira town centre.
