Tucked away in a quiet cul-de-sac near Praia do Vau, shops, restaurants, and activities is this thoughtfully built home. From the rooftop terrace sitting just above the neighboring properties, you'll enjoy full 360° views of the sea, into Portimão, Alta golf course, and surrounding hillsides. Within the fully gated park like grounds you'll find a variety of areas to enjoy: a large pool with pool deck, outdoor dining areas, a Portuguese churrasqueira, culinary herbs, citrus trees, intoxicating flora & fauna, as well as parking areas.

Enter the home for though the wrap around terrace into a spacious living room area with African mahogany doors and windows, a separate enclosed dining area, fully equipped large kitchen, laundry area, and bathroom with shower inside near the pool deck. Upstairs is a primary suite with ample closet space, two bedrooms, and a full bath. Each bedroom has its own Juliet balcony. On the lower level is a studio apartment with kitchenette connecting to the main house & a full separate one-bedroom apartment with living room area, dining, kitchen, storage, bathroom, and laundry. The perfect investment home or compound with plenty of space for a extended family to live comfortably.
