توضیحات:

Apartment with four bedrooms and sea view in a residential area on Monte Argentario, Grosseto - Tuscany. This property is in a residential area of Porto Santo Stefano, a very convenient location for reaching the center and leaving the town. Part of a building of 4 apartments, without condominium, consists of 4 bedrooms, three bathrooms, a large living room, a kitchen, and two closets. The living room and a bedroom have access to the terrace of approximately 20 sq m, which overlooks the incomparable blue of the Argentario sea up to the Giannella beach and beyond. The north orientation and the hilly position mean that the apartment enjoys fresh air and ventilation during the hottest hours. With some modernization work, you can obtain a very comfortable first home by the sea or a holiday home in one of the most prestigious locations on the Tyrrhenian coast.
