The resort of Pomorie is located 20 km from Burgas and 10 km from Nessebar and the Sunny Beach.

Pomorie is a well-known balneological center with therapeutic Pomorie mud.

The most famous place here is the salt lake, its own, thanks to which the town got its name. It is not only useful to swim in this lake. Dirt, that's what's especially good for health here! Mud, which is mined at the bottom of a salt lake, has phenomenal healing properties. Namely, therapeutic mud from Pomorie is one of the most effective mud, not only in Bulgaria and in Europe, but also in the world.
